

FFCC Club Plate Permit Pre-Approval Application

The purpose of this form is to allow FFCC to assess your car's suitability for Club Plate permits, prior to the car being inspected. All the information you provide here will be kept on a file with the Club Permit Administrator. If you have any questions please call John Roberts or Duncan Sides.

Applicant Details

Name			
Address			
Phone Number			
Email			
Member No.		Member Expiry Date	
Where/When did we first meet you?		What is the main purpose of the car eg. Cruiser, Racing, Show, Drift	

Vehicle Details

Make		Model	
Chassis No		Engine No	
Month / Year of Manufacture		Engine Capacity (cc)	
List of Modifications – complete a separate sheet if more space is required.			

Once you have completed this form and agreed to the terms below, please send it, along with the required photos, to Duncan Sides or John Roberts. Photos to accompany the application must include front and rear three quarter views, a side view, an interior shot, and an engine bay shot (please resize them so they are not huge files). Please note that cars that are significantly modified are considered on a case by case basis, and where the Club feels uncomfortable with the level of modification you may be directed to obtain a VASS engineers certificate along with the road worthy.

Applicant Agreement

By signing this form (or typing your name in where the form is emailed), the Applicant agrees to adhere to all of FFCC's Club Plate Permit guidelines, as well as all Club Permit rules as dictated by Vicroads. Primarily this includes the Club's requirement that the vehicle attends at least two calendared event each year and is sighted by a Committee Member, and that you drive responsibly whenever you are out in a vehicle covered by a Club Permit.
